Index to Volume 65

Abdomen, disinfection of skin of, 855
Abdominal aortic aneurysm(s), management of, 834
— — — *ruptured, 839*
— — — ruptured, balloon catheter control of, in patient with Cullen's sign, 350
— apoplexy, 318, 321
— cocoon, unusual small intestinal obstruction in adolescent girls, 427
— complications, acute, of systemic lupus erythematosus, 625
— *operations, potentially contaminated, bacteriology of* primary wound sepsis in, 76
— trauma, blunt, isolated complete transection of common bile duct by, 543
— tuberculosis in the 1970s, 403
— *wound healing in jaundiced patients, 521*
Åberg M. and Nilsson I. M.: Fibrinolytic activity of vein wall after surgery, 259
Abscess, left thigh, tuberculous fistula between 5th lumbar vertebra and colon presenting as, 186
Achalasia of cardia, Heller's operation for, results of, 483
Acid secretion in man, effect of highly selective vagotomy on relationship between gastric mucosal blood flow and, 721
Acute appendicitis, progress of, in children, 877
— pancreatitis, primary, Trasylol therapy in, single-centre *double-blind trial of, 337*
Adenocarcinoma arising in duplication of rectum, 572
— of oesophagus and of oesophagogastric junction, 475
Adenoma, hepatic, androgen-associated, in trans-sexual, 869
Adhesive small bowel obstruction, strangulating, with *normal radiographs, 431*
Adolescent girls, unusual small intestinal obstruction in, 427
Adrenalectomy in Cushing's syndrome, review after 20 years, 221
Adrenaline, noradrenaline and cyclic AMP in plasma during surgery, 191
Aeberhard P. and Walther M.: Results of a controlled *randomized trial of proximal gastric vagotomy* with and without pyloroplasty, 634
Aeberhard P.: *see also* Binswanger R. O.
Agwunobi T. C. and Boak J. L.: Diagnosis of malignant breast disease by axillary lymphoscintigraphy, 379
Agwunobi T. C.: *see also* Boak J. L.
Alawneh I.: Acute non-calculous cholecystitis in burns, *243*
Aldosterone response to surgery, inhibition of, by saline administration, 224
— — — *and relationship of response to postoperative* sodium, 744
Alexander-Williams J.: *see* Arabi Y.; Dorricott N. J.; *Downing R.*; Gatehouse D.; Matheson D. M.
Allam B. F.: *see* Imrie C. W.
Allen C. L. O.: *see* Parks A. G.
Amino acid infusions, postoperative, 384
Amoebic perforation of bowel, 748
Amputation, Gritti–Stokes, in ischaemia, 135
— traumatic hindquarter, 390
Amylase thermolability as screening test for pancreatic *pseudocysts, 413*
Anal carcinoma, epidermoid, use of carbon dioxide laser in abdominoperineal resection for, 565
Anastomoses, arterial, in renal transplantation, 60
Androgen-associated hepatic adenoma in trans-sexual, 869
Aneurysm(s), abdominal aortic, management of, 834
— — — ruptured, 839
— — — — balloon catheter control of, in patient with *Cullen's sign, 350*
— multiple congenital, in childhood, 509
Aneurysm(s) of popliteal artery secondary to trauma from *osteochondroma of femur, 786*
Angelides N., Nicolaides A., Needham T. and Dudley H.: Mechanism of calf claudication: studies of simultaneous *clearance of $^{99}Tc^{m}$ from the calf and* thigh, 204
Angiography in diagnosis of small bowel melaena, 168
Angiology, isotope, clinical scope and potential of, 688
— static isotope, assessment of aorto-iliac disease by, 263
Angorn I. B.: *see* Haffejee A. A.
Anorexia nervosa and Crohn's disease, 231
Antimicrobials for elective colorectal operations, oral *bowel preparation and, randomized multicentre* trial of, 597
— influence of bowel preparation and, on colonic micro*flora, 555*
Aortic aneurysm(s), abdominal, management of, 834
— — — ruptured, 839
— *surgery, elective, intraoperative autotransfusion for,* 685
Aorto-iliac disease, assessment of, by static isotope angiology, 263
— surgery, role of profunda femoris in, 308
Apoplexy, abdominal, 318, 321
Appendicectomy, emergency, wound infection in, 89
Appendicitis, acute, progress of, in children, 877
Appendicular peritonitis, peritoneal lavage in, 54
Appendix, perforated, drainage of, 880
Apudoma, pancreatic, multiple hormone-secreting, clinically silent gross hypergastrinaemia, 277
Arabi Y., Dimock F., Burdon D. W., Alexander-Williams J. and Keighley M. R. B.: Influence of bowel preparation and antimicrobials on colonic microflora, 555
Arabi Y.: see also Matheson D. M.
Armour R. H., Clifton M. A. and Marsh C. H.: Balloon catheter control of a ruptured abdominal aortic *aneurysm in a patient with Cullen's sign, 350*
Arterial anastomoses in renal transplantation, 60
— graft, thrombogenic potential of three types of, evaluated in artificial circulation, 272
— reconstruction extending below popliteal bifurcation, 410
— — in legs, effect of smoking on late patency of, 267
— stenosis, bruit–occlusion test for localizing, 201
— *surgery, saphenous neuralgia as complication of, 465*
— trauma, major, 532
Arteriovenous fistulas, microsurgical technique for creation *of, 406*
Artery entrapment syndrome, popliteal, 613
— popliteal, aneurysm of, secondary to trauma from *osteochondroma of femur, 786*
— — penetrating injuries of, 789
Aubrey D. A. and Edwards J. L.: Selective use of combined supraduodenal and transduodenal exploration of common bile duct, 246
Autonomic neuropathy, diabetic, in patients with vascular disease, 305
Autotransfusion, intraoperative, for elective aortic surgery, *685*
Axillary lymphoscintigraphy, diagnosis of malignant breast disease by, 379
Axillofemoral bypass grafts, graft avulsion, an unreported complication of, 442

Calcium homeostasis, parathyroid hormone and, in acute pancreatitis, 717

Calculi, bile duct, retained, non-operative treatment of, in patients with indwelling T tube, 581
Calf claudication, mechanism of, 204
— scanning, isotope, intravenous, in assessment of intermittent claudication, 619
Cancer, breast, early, 753, 764
— cell, exfoliated colonic, cell viability studies on, 188
— colorectal, early, treatment of, by local excision, 346
— — survival of patients with, treated in regional hospital, 17
— rectal following colectomy and ileorectal anastomosis for ulcerative colitis, 862
— — pullthrough operation with delayed anastomosis for, 695
Carcinoid tumour(s), gastric, with hepatic metastases, diagnosis and management of, 516
— — ileal, intestinal ischaemia associated with, 313
Carcinoma, anal, epidermoid, use of carbon dioxide laser in abdominoperineal resection for, 565
— hepatocellular, associated with oral contraceptives, 316
— oesophageal, impaired nutrition in, diminished cellular immunity due to, 480
Cardia, achalasia of, results of Heller's operation for, 483
